Report on Offender
Under Supervision
Case Number: 08-CR-0524

Name of Offender: RODDEN, John

U.S. Probation Officer Action:

There is reliable evidence indicating that the offender has violated a condition of his probation term. Specifically, the offender has failed to comply with the restitution order, and payment schedule.

On May 12, 2010, the Probation Department obtained a payment history from the U.S. Attorney's Financial Litigation Unit. The report revealed that the offender had routinely failed to submit the mandated \$100.00 monthly payment (as ordered by the Court), since his placement on probation. And while the offender did submit a one-time payment in the amount of \$300.00 in January 2010, he remained delinquent with his payments. When confronted with this non-compliance, the offender admitted that he had not made additional restitution payments, and subsequently made a \$600.00 payment. The offender was issued a letter of reprimand, and re-instructed on the payment of his restitution, in accordance with the payment schedule, set forth by Your Honor on the day of sentencing.

Predicated on the offender's immediate payment to come into compliance with his restitution order, we respectfully recommend that no action be taken at this time. The offender's compliance will be closely monitored and any further non-compliance will be reported to the Court immediately. We await Your Honor's response as indicated below.

Respectfully submitted,
